Don't forget to look at the phonics videos.

Theme: Wonderful Weather

Look at the PowerPoint

It tells us lots of different ways the weather affects us and our behaviour.

Complete the worksheet.

The same activity is repeated twice. The second activity has a few more pictures to sort.

You don't need to do both just choose one.

You do not need to print out all of these activities.

You can use pencil and paper to write out your work.
