

Friday 15<sup>th</sup> January

Good morning Year One.

It is the end of our second week of lockdown.

We hope you and your families are all well and safe and that you are enjoying your time at home.

Thank you to all the children who have been sharing their news and activities on Seesaw. It has been a real pleasure to see what you have been doing and to see your smiley faces.

If you haven't yet investigated Seesaw it is a way of sharing work you have been doing at home.

We sent you a code via email to access it and there is a tutorial on the school Twitter account to show you what you need to do.

If printing worksheets is a difficulty for you then you can simply write your work on a piece of paper to show us.

We have produced some packs (which you can collect from the school office) with an exercise book, a pencil and some supplementary activities to work posted on the school website.

I hope you all have a lovely weekend and we will "see you" again on Monday.

If you need to talk to us please email [hollingswortha@st-osburgs.coventry.sc.uk](mailto:hollingswortha@st-osburgs.coventry.sc.uk)

We will also be telephoning parents to see how you are doing.

Here is Friday's work:

Maths:

Watch the video.

(Remember when you are counting back you need to count the number of jumps you make)

Can you work out the true or false question and explain how you knew?

Today you are going to be practising a very special reading skill called inference where you try to work out what characters are thinking and feeling from the words in the text.

RE

On Monday we looked at a story Jesus told about the Good Samaritan.

In His story Jesus was telling us it was important to have kind hands.

Can you think of some kind things you can do with your hands?

Use the instructions to make a helping hands booklet.
