

Wednesday 13th January

Good morning everyone,

I hope everyone is safe and well.

It has been lovely to see all your work on Seesaw. Thank you for sharing with us.

Don't forget if printing worksheets off is a difficulty you can just write your response with pencil and paper.

There are packs (available from the school office) with pencil and exercise book as well as some supplementary activities to help further.

If you need help with anything we can be contacted at hollingswortha@st-osburgs.coventry.sch.uk

Here is today's work.

Maths

Watch the video

<https://vimeo.com/492195871>

Then complete the worksheet.

<https://resources.whiterosemaths.com/wp-content/uploads/2019/11/Y1-Spring-Block-1-WO3-Add-by-making-10-2019.pdf>

Don't worry if you are finding this work a bit confusing! We will be coming back to this and practising it again.

Can you answer this true /false question and explain how you know?

Theme

This half term we are going to be exploring the weather.

First of all we are going to be recording the weather so we can begin to see a pattern over a period of time.

Worksheet:
