  Geography Year One (Worksheets/Weather Lesson 1) What's Weather?

My Weather Diary!

Let's record our daily weather using our observational skills!

In pairs, set up your own Weather Recording Chart.

You will record your observations of the daily weather in your own Weather Diary! Some children will also help the class measure the daily temperature and look at how the weather changes over a day!

How to Fill in Your Weather Diary

Guess the Weather!

Can you guess what type of weather it is?

What time of year do you think it is?

Challenge question:

What WOW words can you use to describe the weather?

Aim

- I can understand what the weather is like in our country.
- I can look at the weather where we live.

Success Criteria

- I can name 4 types of weather that happen in the UK.
- I am beginning to understand how our weather changes throughout the year – seasons.
- I can begin to observe (look at) the weather.
- I can record my observations in a weather diary.
