

Tuesday 12<sup>th</sup> January

Good morning Year 1

Here is your work for today.

As always we would love to see what you have been doing on Seesaw.

Parents if there are questions we can be contacted on [hollingswortha@st-osburgs.coventry.sch.uk](mailto:hollingswortha@st-osburgs.coventry.sch.uk).

### Maths

This is an activity lesson so there is no worksheet to print off or work on.

It would help if you had ready some ten frames drawn out and about 20 small objects (pasta shells, buttons, lego, pennies etc. are all ideal.)

This lesson is an introduction to this concept and we will be continuing to practice this further in the week.

### English

Yesterday we heard the story of “The Magic Paintbrush”.

Can you remember what happened? In the correct order?

Today’s lesson will help you remember and retell the story.

## Science

In Science we are starting a new theme: Materials

In our first lesson we are going to recognise and name some common materials.

Your task:

Can you find and name some examples of different materials used around your house?
