

Dear Parents,

As well as daily (English and Maths) and weekly work (Phonics, RE, Theme, Science) posted on the class page these are some useful websites that can be dipped into to keep skills sharp particularly spelling, phonics, maths and reading.

In addition children can continue to practice handwriting (remembering finger spaces, correctly forming upper and lower case letters, creating clear ascenders and descenders).

Please continue to help your child with reading. This can be sharing favourite books, talking about a familiar story, making up new characters or events in a story as well as practicing decoding skills.

www.ictgames.com/ Games to help with maths, phonics, spelling and reading.

<https://www.topmarks.co.uk/> Games to support mental arithmetic and other curriculum areas

<https://www.phonicsbloom.com/> Lots of free games and activities to support phonics and reading

<https://www.phonicsplay.co.uk/> A subscription site with some fun free resources. (Username: jan21 password: home)

<https://www.bbc.co.uk/bitesize/subjects/zgkw2hv>

To help you keep up with reading here is a free link to on line reading books. You just need to create an account
