Theme Lessons

Role Play a baptism

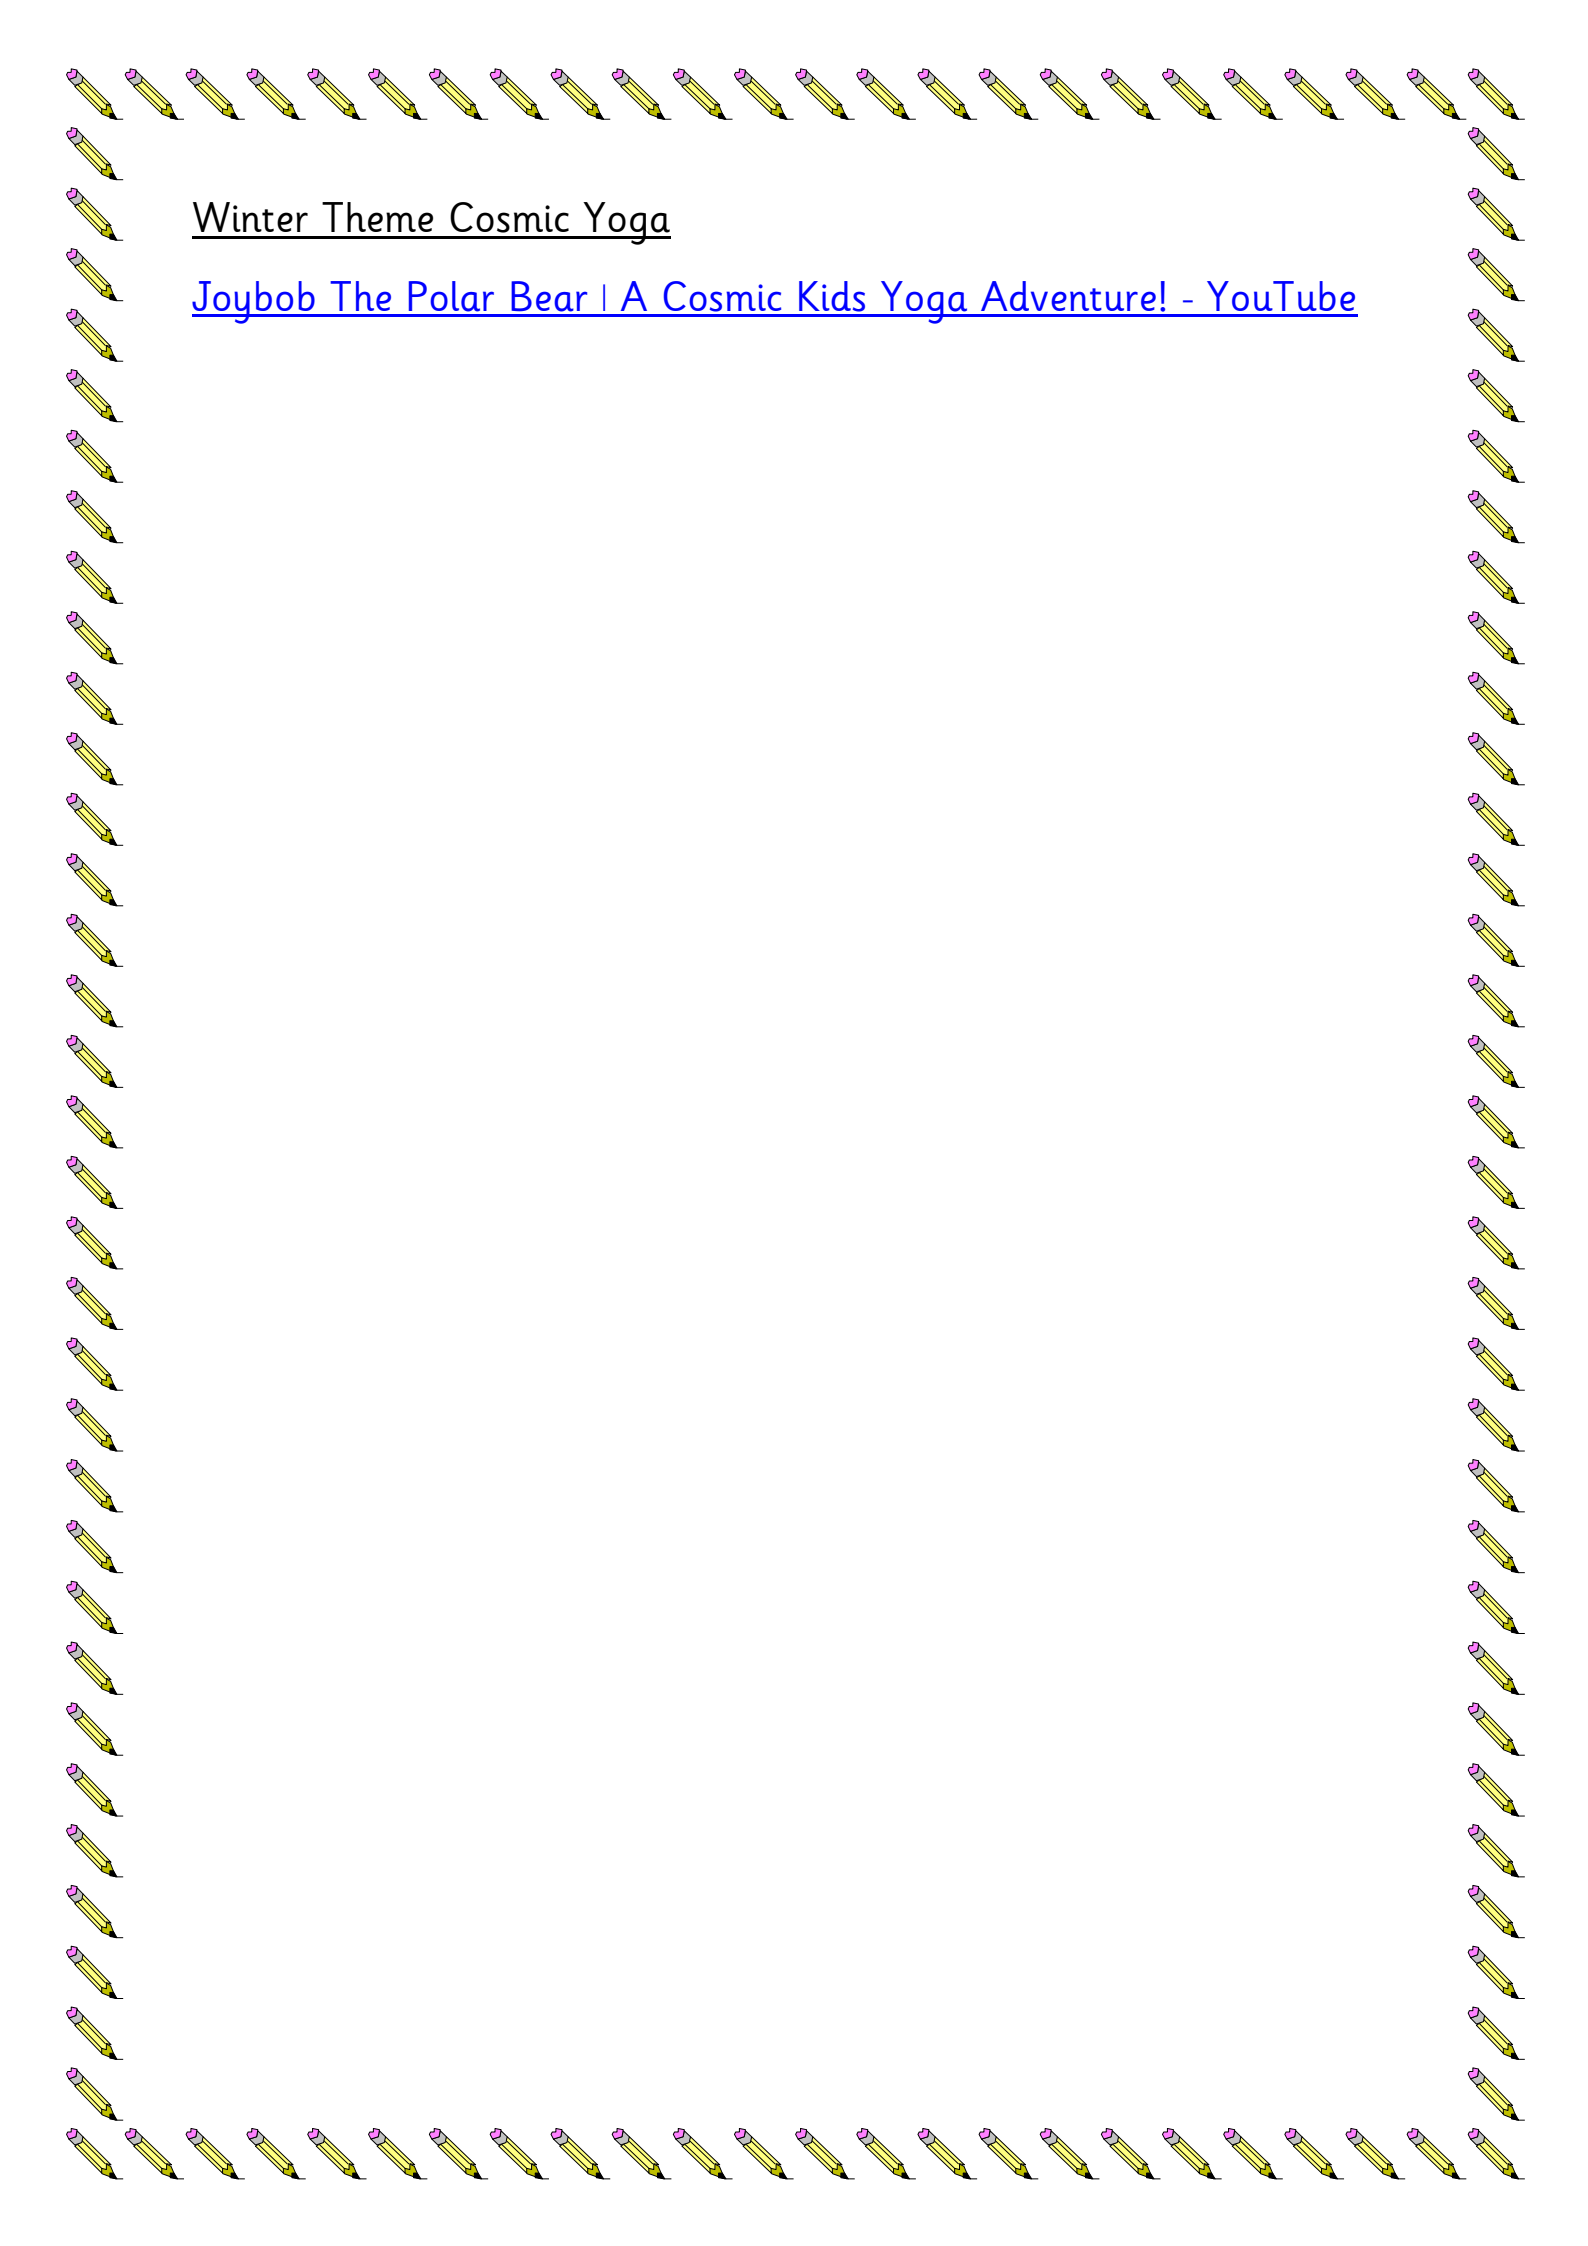

Adult Supervision: Can you recreate a Baptism with a doll/teddy bear? Go on a treasure hunt around the house to find the items needed for a Baptism.

Find something white in your house to use as a white garment. Then find a small bowl to hold the water. Make or find a candle to represent the Baptismal candle. Make sure you have enough teddies/dolls etc to be the people that would be at your Baptism; Priest, parents, Godparents. Take a photo and upload to Tapestry.

Nobot Book – Design and make your own robot

Read the Nobot story from You Tube, then use junk (cardboard boxes, toilet roll tubes, milk lids, etc) to make your own robot.
