

Reception's Home Learning Tasks

Week Beginning 25th January

Read Write Inc – Set 1 Lessons: 20/25 minutes – New lessons are added daily at 9.30am and are on the You Tube website for 24hrs

Helpful tip: Use the space bar on your laptop to pause and play the video if you need extra time. If you are using a phone/tablet, tap the screen to pause/play.

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIg9GdxtQ

Join in with:

- Set 1 speed sounds – Reading
- Set 1 word time – Reading
- Set 1 spelling – Writing

If you have been instructed to complete a hold a sentence lesson, please do this on a Thursday and Friday instead of the Set 1 spelling lesson ☺

- Hold a sentence 1 (if you have been directed to complete this lesson via Tapestry)

Oak National Academy Maths Lessons – Addition and Subtraction within 10: 15 – 25 minutes - [Addition and subtraction within 10 - Oak National Academy](#) ([thenational.academy](https://www.thenational.academy))

Helpful tip: Get two different sets of counting objects ready.

You may also want to introduce the '+' sign, '-' sign and '=' sign to have a go at writing number sentences to provide some extra challenge.

- Monday – Lesson one – You will need two sets of counting objects and a 'ten frame' (see lesson for more detail).
- Tuesday – Lesson Two – You will need two sets of counting objects, a number track to ten (you have one of these in your resource pack given to you in September), bird counting cards (you can print these from the resources or draw your own - you will need a card that is blank for 'zero'). In addition have your exercise book if you can do some addition number sentences.
- Wednesday – Lesson Three - You will need two sets of counting objects and a 'ten frame'. In addition, have your exercise book if you can do some takeaway number sentences.
- Thursday – Lesson Four - You will need two sets of counting objects, real life objects, worksheet activity 2 (you can print this from the resources or draw your own), a number track to 10 and your exercise book.
- Friday - Lesson Five - You will need two sets of counting objects, number cards, a number track to 10 and a teddy talk partner.

Oak National Academy Literacy Lessons – The Three Little Pigs: 20/25 minutes - [The Three Little Pigs - Oak National Academy \(thenational.academy\)](https://www.thenational.academy)

No Lesson Three and no Lesson Six this week.

- Monday – Lesson One - You will need your yellow exercise book and a pencil.

- Tuesday – Lesson Two - You will need your yellow exercise book and a pencil. Keep the story map you have drawn.
- Wednesday – Lesson Four – You will need your yellow exercise book and a pencil.
- Thursday – Lesson Five– You will need your yellow exercise book and a pencil. Tip: For the example writing section you child will find it easier if you also write the sentence out (some of the letters are written as part of a cursive handwriting scheme which we do not follow at school). In addition, instead of ‘robot the word’ use fred fingers to sound out the words.
- Friday - Lesson Seven - You will need your yellow exercise book and a pencil. Tip: For the example writing section you child will find it easier if you also write the sentence out (some of the letters are written as part of a cursive handwriting scheme which we do not follow at school). In addition, instead of ‘robot the word’ use fred fingers to sound out the words.

Theme Lessons

RE – Parable of the talents

Read the parable of the talents or watch a video of the bible story on You Tube.

www.youtube.com/watch?v=XwgN3COLLkM

What is something you are really good at?

What gifts and talents has God given to you?

(drawing, painting, dancing, karate, reading, singing, etc)

God wants us to use our gifts and talents to make others feel happy.

Activity: Make something, put on a talent show for your family, send a video to a family member/friend of your special talent.

Stars of Hope

Stars the new rainbows for lockdown 3.0

During this lockdown we are living in hope that the pandemic will be over soon. We hope the NHS are able to continue to provide an

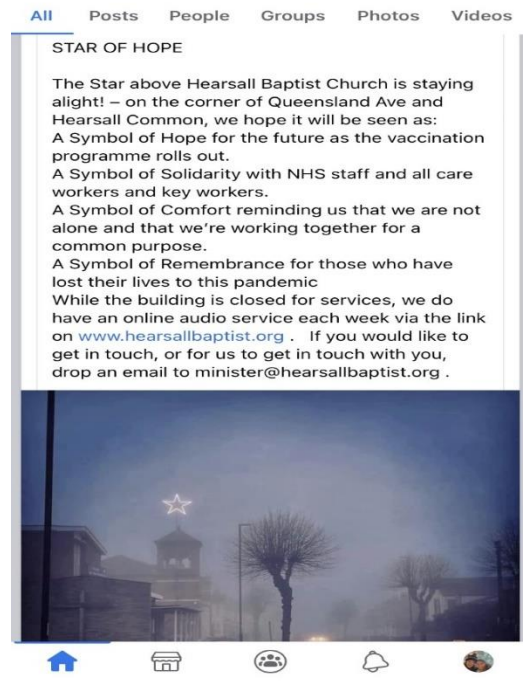

excellent service. We hope the vaccination programme continues to roll out and protects us all.

I would like you to make your own star to hang in your window or in your house.

You can draw, paint, build or use any resources you have available to you.

Post your stars on Tapestry.

HAVE FUN CREATING!

Big Bad Wolf Science Experiment

See additional pdf on class page for more information

Science Experiment

Big Bad Wolf Huff and Puff

Choose an object. Do you think you can 'huff and puff' it? Can you put it in the correct column on the predictions sheet?

Now test your object. Can you 'huff and puff' it? Can you put it in the correct column on the results sheet?

Which objects did you guess right?

Could you 'huff and puff' all of the objects? Why?
