

# Varied Fluency

## Step 8: Find the Difference

### National Curriculum Objectives:

Mathematics Year 2: (2C4) [Solve problems with addition and subtraction using concrete objects and pictorial representations, including those involving numbers, quantities and measures](#)

### Differentiation:

**Developing** Questions to support finding the difference between two amounts, using whole pounds or multiples of 10 pence. All questions include pictorial support.

**Expected** Questions to support finding the difference between two amounts, using whole pounds and any value of pence. Some questions include pictorial support.

**Greater Depth** Questions to support finding the difference between two amounts, using whole pounds and any value of pence. Questions include written amounts of multiple values and limited pictorial support.
