

Geography

Wonderful Weather This Wonderful Weather unit will teach the children about the different types of weather in their immediate environment. The children will then have the opportunity to build on this knowledge of the four seasons. They will be introduced to hot and cold areas of the world and the impact of different weather types. Children will have opportunities to observe and record the weather, present their own weather forecasts and make valuable links with other areas of the curriculum.

Beside the Seaside This Beside the Seaside unit will allow the children to learn about the geographical features of the seaside, both human and physical. Children will learn about seaside environments; finding out where they are located in the UK and seaside resorts nearest their own locality using maps and aerial photographs and developing their key vocabulary.

PSHE & RSHE

Meet your Brain This module is focused on giving children a foundational knowledge of the brain and teaching them how they can look after their minds to be at their very best.

Celebrate This module is focused on introducing the evidence-based theory that we all have different character strengths and that, by understanding what they are and then using them as much as possible, we can be at our best!

Year 1

Curriculum Map - Summer Term

Science

Plants In this unit about plants, children will learn to name the basic parts of a plant, including seeds. They will have the opportunity to plant their own seeds and to make observations of how they grow over time. Children will also learn to identify, name and describe a variety of garden and wild plants as well as evergreen and deciduous trees. In their final lesson, the children will use all of their knowledge gained throughout the topic to identify, compare and classify plants.

Computing In this unit, learners will develop their understanding of technology and how it can help us. They will start to become familiar with the different components of a computer by developing their keyboard and mouse skills. Learners will also consider how to use technology responsibly.

Art

Van Gogh's Sunflowers

Religious Education

Easter This unit is designed to develop the children's knowledge and understanding of the season of Easter as a celebration of the Resurrection of Jesus. This unit focuses on the importance of the Resurrection and its message.

Pentecost This unit is designed to develop the children's knowledge and understanding of Pentecost as the fulfilment of Jesus' promise to send the Holy Spirit. The unit focuses on the coming of the Holy Spirit as a promised gift that brought about a change in the lives of the disciples and how we celebrate and receive that gift in our lives today.

Sharing Jesus' Life This unit is designed to develop the children's knowledge and understanding of the way in which, as Christians, we are called to share in the life of Jesus. The unit focuses on Jesus choosing and calling the disciples and how they are an example to us of what it means to be a disciple or follower of Jesus and share in his life.

Following Jesus Today This unit is designed to develop the children's knowledge and understanding of what it means to follow Jesus today. This unit develops the children's understanding of how, as followers of Jesus, we belong to the Church and the different ways that the Church, and the different members of it, follow Jesus.

Physical Education

Athletics - Sprinting, jumping and throwing.
