Curriculum Map

Autumn Term

History

Travel and Transport

Alongside consolidating the children's understanding of chronology, through using timelines and making comparisons between old and new forms of transport, the unit will focus on the inventions of cars, trains and aeroplanes. The children will look at the significant individuals George Stephenson and the Wright brothers. An educational visit to Coventry Transport Museum will provide the opportunity for the children to see local
links with the history of transport manufacture.

Nurturing Nurses

In this unit the children will learn about the influential nurses Florence Nightingale, Mary Seacole and Edith Cavell. The children will need to establish what makes a person significant, before exploring and comparing the lives and work of these nurses and considering how these individuals have influenced nursing today.

Physical Education

Dance - subject specialist

Games - movement skills and object control

Science

Animal needs for survival

The children will explore the key features of mammals, birds, fish, amphibians, reptiles and humans and consider what each need in order to survive. They will look at similarities and differences.

Humans

Children will explore how to be healthy through exercise, food, hygiene and teeth. They will investigate the effect of exercise on their heart rate and learn about germs.

Materials

The children will identify, group and sort a range of materials, looking at the properties and will plan and carry out a waterproofing investigation.

Religious Education

Creation and Covenant

Children will understand the basic structure of the Bible and know the story of the covenant made between God and Noah. They will also understand the importance of Stewardship as our responsibility for looking after God's magnificent creation.

Prophecy and Promise

In this unit, pupils will build the understanding of the role of some prophets in the Old Testament and the role of the Holy Spirit in choosing specific people to carry out God's plan. Children will also learn about Mary, Mother of Jesus as our role model, as well as understanding the tradition of the Advent wreath.
