

Feast of Saint Valentine

Prayers of the Faithful

As we come together to celebrate the feast of Saint Valentine, let us take some time to remember the brave deeds he did during his short life.

We pray for couples everywhere. May they be supportive and loving to one another. Lord hear us.

Lord graciously hear us.

We pray for people who, like Saint Valentine, are persecuted for what they believe in. May we remember them for the sacrifices they make. Lord hear us.

Lord graciously hear us.

Saint Valentine wrote letters to his many friends to ask them to pray for him before his death. May we always remember to value the many friends we have and the help they give to us. Lord hear us.

Lord graciously hear us.

We pray for people who are getting married soon. May Jesus prepare them for the commitment they are about to make. Lord hear us.

Lord graciously hear us.

We pray for people who take up vocations to the religious life. May we always remember to value the contributions they make to our communities and lives. Lord hear us.

Lord graciously hear us.

Emperor Claudius II was a selfish ruler, who cared little about his people, when Saint Valentine was alive. May our world leaders be generous, honest and compassionate. Lord hear us.

Lord graciously hear us.
