8. This sentence could be an answer to what question?

# Did I...

describe the character's appearance?

describe the character's background/past?

describe how the character speaks?

describe how the character moves?

describe the character's actions, thoughts and feelings?

describe the character's personality?

include figurative language to enhance my description?  
*e.g. His heart swelled with a sea of tears, her whining voice sounded like the screech of an untuned violin...*

**Pippi** is a nine-year-old, unconventional and superhumanly strong girl.

She lives alone in a peculiar house that was left for her by her sailor father, who went missing during one of his adventures.

Pippi's appearance is most certainly unusual. Her bright ginger, fiery hair stands straight up, as if being pulled by some invisible force. A cheerful grin can often be seen on her sun-kissed, freckled face.

You may often find her riding her enormous horse or walking backwards along the pavement, looking like she has no care or worry in the world. Her flexibility allows her to leap, jump twirl and climb with ease, just like a nimble cat.

Playful, unpredictable and caring, Pippi makes friends easily, as her outgoing personality shines through. She shows a lot of confidence, can be as brave as a lion and is not afraid to stand up for those, who need her help. She often makes fun of unreasonable adults and can be as cheeky as a chimpanzee.
