without thinking twice at the speed of light
Without a doubt without hesitation as fast as she
could
As quick as a flash as fast as lightning
darted
Sprinted racing
Zooming

Without hesitation, she tightened her trusty
backpack and darted towards the harbour.

Without hesitation, she tightened her trusty backpack and headed towards the harbour.

Lucy thought about how she had always loved the sea. The ocean was in her blood. As soon as she stepped off dry land, she was home

her happy place her calm zone
her second home safety
Her comfort/safe place her heaven
Her favourite/ calm place
Her hideout
Her life freedom
Her best friend
