Security Policy

St Osburg's Catholic Primary School and Nursery

Security Policy

Created: November 2020
Date of next review: November 2023

St Osburg's Catholic Primary School

Security Policy

SECURITY POLICY

This policy has been prepared after consultation with all staff and will be presented to Governors for their approval. Parents have been informed of the contents of this policy. The policy will be regularly monitored and evaluated to ensure its effectiveness in providing a safe and caring environment for everyone in our school community. The security measures introduced will not only support the school in ensuring the care and safety of pupils and staff but also enhance the learning and teaching opportunities for our pupils by minimising disruptions to classroom routines and maximise learning and teaching time.

1. Roles and Responsibilities

Overall school security is the responsibility of the employer. At St Osburg's Catholic Primary School this is the school governing body. The Head Teacher is responsible for implementing the security policy.

Governing Body

The Governing Body of St Osburg's Catholic Primary School has drawn up and agreed the Security Policy with the school community.

The school's Resources Management Committee/Health and Safety Committee meets once a term to review safety, including security, and reports to the full Governing Body.

Head Teacher

The Head Teacher is responsible for implementing the Security Policy. They will ensure that standard procedures are in place to minimise risk and that all staff are fully aware of the security arrangements and of their own responsibilities, receiving such training as is necessary to fulfil those responsibilities.

The Head Teacher should ensure parents and older pupils are fully informed of the security policy and should be encouraged to help.

The school undertake an annual review of security risk assessments and undertake regular routine security checks. Advice is obtained from the Corporate Security Advisor on security matters and all crimes are reported to the Police and Corporate Security Adviser. The Head Teacher reports regularly to the Governing Body.

The Head Teacher is responsible for the security of the premises during the school day; in their absence the Deputy Head Teacher assumes this responsibility.

Staff

Teaching and non-teaching staff should be fully cognisant of the security procedures and know how to:

- Protect pupils from harm
- Guard against assault
- Safeguard property

St Osburg's Catholic Primary School

Security Policy

- **Contact the police/emergency services**

New staff are informed of the school's security policy and of their responsibilities before taking up their post.

Site Services Officer

The SSO is responsible for the "hands-on" security of the school, for example unlocking and securing the school site and buildings during the week and pre-arranged out of hours community use.

Pupils

As the children progress through the school, they are made increasingly aware of the security procedures. They should be encouraged to assist with these procedures when possible. The pupils will be taught about personal safety and social responsibilities.

Pupils of Special Concern

The Head Teacher must be informed of any special concerns regarding pupils (e.g. pupils on the Child Protection Register/ looked after children/those who may be abducted/ those who may run away and any who are subject to Care Orders) and parents and outside agencies have a responsibility to ensure that this information is shared with the school. Relevant teachers will be informed in confidence, of any pupils who require special care and sensitivity.

Parents

The parents of pupils at St Osburg's Catholic School are kept fully informed of security procedures, and of their responsibilities when visiting the school, in the:

- **School prospectus**
- **School newsletter**
- **Individual letters**

Police/Local Community

St Osburg's Catholic School values co-operation from the local police and community in assisting security arrangements for the school site and the surrounding area.

The school communicates with the local neighbourhood PCSO team on security matters. Local residents are encouraged to report incidents directly to the police.

The Police are called immediately if there is an incident of a violent, aggressive or abusive nature. The Police should be called immediately when a child goes missing, for example after school. Do not wait until a search has taken place.

The Local Authority with assistance from the Police and Intelligence Advisors will keep local schools informed of current matters of concern, for example if a stranger is spotted loitering outside the school.

St Osburg's Catholic Primary School

Security Policy

2. Security Strategies

Control of Access

St Osburg's Catholic School has a policy of welcoming visitors; however, we realise that problems can occur with angry parents, disaffected young people, criminal trespass or even child abduction or assault. To minimise the risk to the school community, especially the children, we have procedures to limit access to the school site.

School Grounds

Security fencing bounds the perimeter of the school grounds, and access to the school car park is restricted to staff, contractors and deliveries. All children enter the school grounds via the perimeter pedestrian gates. During the school day, the pedestrian gates are locked, during which time visitors and late arrivals should enter through front entrance, reporting directly to the administration office, signing-in and presenting credentials.

Parents are not allowed to drive their cars into the school car park. Parents are asked to wait outside on the playground when collecting their children and should not be encouraged to enter the school buildings. If parents/guardians want to meet with staff, formal appointments must be made with the administration office. When attending appointments, parents/guardians should enter through the main entrance and sign-in.

If a stranger is seen on the school grounds, a member of staff should establish his or her identity and the reason for the visit. If the reason is not legitimate, the stranger should be asked to leave.

Access to the School Building(s)

To prevent unauthorised or unknown visitors entering school, security locks are fitted to all external doors (excluding the fire doors, which open only from the inside), and including the main entrance to the school, which has a secure reception area with an access control system installed.

All office doors should be locked when not in use and all cloakroom/external doors closed at the end of break times.

All visitors to the school should report to the administration office, which is clearly signed. In the first instance, a member of admin staff will meet visitors; they will be asked to sign in and give the reason for their visit. A member of admin staff will then escort visitors to the member of staff requested – or asked to take a seat while the member of staff is contacted. The member of staff then comes to collect the visitor.

All visitors are expected to sign-in and wear a badge before they are allowed into the main part of the school.

No visitor is given unrestricted access to the school; this includes parents. All children and staff are alert to unrecognised adults in school. Children should report strangers to the nearest member of staff. If a stranger is noticed in school, staff should establish his or her identity and reason for the visit.

St Osburg's Catholic Primary School

Security Policy

If, at any time, an unsatisfactory reason is given, or proof of identity cannot be produced then the member of staff concerned should ask for assistance from the nearest colleague. The unauthorised person is asked to leave and escorted from the premises, as they are committing a trespass. If that person refuses, becomes aggressive or damages property, no attempt should be made by staff to eject the intruder and the police should be called immediately.

Parents have permission to enter the school premises. However, they should act as any other visitor to the school, complying with the appropriate school arrangements. They should not roam at will around the school, enter classrooms or interfere with members of staff carrying out their professional duties.

If parents wish to take their child/children out of school during the school day, they should report to the administration area. A request to take a child out of school should normally be made in advance in writing on a form requesting leave of absence.

Trespass

St Osburg's Catholic School is not a public place to which any member of the public is entitled to have access. Any person who enters without permission is a trespasser; trespassers are asked to leave.

If we need to have a 'lockdown because there is a trespasser on site then the yellow break glass lockdown alarm can be activated. This sound signal will trigger lockdown procedures whereby all staff and classes will lock themselves in their own rooms until told otherwise.

If a parent is causing a disturbance, becoming abusive or violent towards a pupil, member of staff or another parent, the Head Teacher might revoke the parent's permission to be on the premises by taking the following action:

- The parent can be asked to leave and will be told 'I am revoking (withdrawing) your permission to be on the school premises
- If the parent still refuses to leave willingly, the Police are called
- A formal letter from the Head Teacher/LA or Governing Body, confirming the parent's permission to visit the school has been revoked for a fixed period

Formal notification is important, as their human rights are being affected.

The police should be called immediately if there is an incident that is causing concern of an aggressive, abusive or violent nature.

Entering and Leaving School

All children enter and leave the school by the playground doors. The front door is to be used only if a child arrives after 9.00am, when they should report to the office.

All parents are asked to wait outside the school building.

St Osburg's Catholic Primary School

Security Policy

Supervision of School Grounds:

Teaching staff are requested to be in their classrooms at 8:40, so that parents can leave their child in safety. The Site Services Officer makes sure that the outside doors and main gate are closed securely at an identified time, shortly after 09:00 hrs.

Children are supervised at all times when on the playground(s). Supervision is by teachers and support staff at morning breaks and by the dining room assistants at lunchtime.

If a teacher requests that a pupil remains in class for any reason then it is the class teacher's responsibility to supervise that pupil. It is always advisable for staff to ensure that they are not alone with pupils for any length of time. It is good practice to always have another person present at all times to safeguard both staff and pupils from sensitive situations. Pupils must not be left alone in classroom areas. In the event of school staff having to take pupil's home by car, another member of staff must always accompany them.

Leaving School at the End of the Day

At the end of the school day, the children leave by the playground door. All of them know that, if the adult who should collect them has not arrived, they should come straight back into the building and stay with their teacher. After ten minutes, if no one has arrived, the teacher takes the child to the office and telephones to see what the delay might be. The child stays in the office until an authorised adult arrives. No child is allowed to leave unless we are sure they are safe.

Leaving School During the Day

No child is allowed out of school for an appointment during the day, unless a known adult arrives to collect him or her and reports to the office first. Prior notice should be given to the school

Educational Visits

Staff will closely supervise pupils during educational visits. The wearing of school uniform may be requested on all school visits. The school should be contacted if any pupil is injured or the party is likely to be delayed e.g. if the coach breaks down. Parents will then be informed accordingly. A member of staff who will remain there until the child's parents arrive will take any pupil requiring medical attention to a hospital. A full risk assessment is carried out prior to any educational visits off-site.

Security of Personal Property

Children should not bring anything of value to school. Individual staff are responsible for their own property. It is advised that staff do not bring large amounts of cash nor expensive/valuable items into the workplace. Mobile phones, wallets, handbags etc. should never be left unattended – they should be kept on the person or secured away in a lockable cupboard/drawer/locker.

St Osburg's Catholic Primary School

Security Policy

Security of Equipment and Cash

Main items of school equipment, for example computers, TVs, videos, are security marked using Smartwater. Portable ICT equipment (e.g. laptops, digital cameras) are not to be left unattended in an insecure classroom or office. Such items must be locked away.

All monies collected by staff must be sent to the school office immediately for recording and banking. Money is banked as soon as possible and is collected weekly by a contractor. The school has a safe for the storage of money. When dealing with sums of money, the personal safety of staff is paramount and staff should never place their own personal safety at risk.

Security of Building

An effective monitored intruder alarm is in operation. This is always set when the school is empty.

It is the responsibility of the site services officer to ensure that all classrooms and offices are secure, the external doors and windows closed and locked, and equipment switched off, before leaving the premises. The SSO is also responsible for locking the gates and setting the intruder alarm at the end of the day.

Safety of Key Holding Staff

Key holders called to the school premises in answer to the intruder alarm must not enter the school premises unaccompanied. Emergency Services Unit will attend if the intruder alarm sounds to ensure that it is safe to enter the site. They will then call in school staff where necessary. If no reason for the alarm presents itself they will set the alarm and leave a communication for the school.

The Head Teacher, Pastoral managers, Site Services Officer, SLT and Business Manager are designated key holders and are responsible for the security of the building.

Site Services Officer

It is the responsibility of the site services officer to check daily that all locks and catches are in working order, that the emergency lighting is working and that the fire alarm has no faults. The operation of the CCTV and intruder alarm will also be checked, regularly maintained and results documented. These systems are monitored by ESU (this will be site specific as not all CCTV cameras will be ESU linked, amend as necessary).

Before leaving the premises, the site services officer has a duty to ensure that all the windows are closed, that the doors are locked and secure, blinds/curtains are closed that the intruder alarm is set and that all gates are locked.

Contractors in School

When contractors are working in St Osburg's Catholic School, the following precautions should be taken:

St Osburg's Catholic Primary School

Security Policy

- The school will provide all contractors with relevant information regarding the building, such as the local asbestos management plan, asbestos locations, fire and emergency plans and details of first aid provision. When on the school site, contractors must sign in. Badges identifying the company for which they work, should be worn at all times.
- Contractor work on site will be subject to a specific risk assessment detailing how segregation between workers and pupils will be achieved. If contractors have to work in areas where pupils are present, pupils will always be under the direct supervision of a school staff member. Contractors will be expected to comply with acceptable and expected behaviour policy towards pupils.

Access Outside School Hours

On occasion, staff, pupils or contractors require access to the school out of normal school hours, in the evenings or at weekends and in the holidays. St Osburg's Catholic School is aware that some staff are working on the premises before and after school and their security has to be safeguarded.

No person should be in school on their own, if at all possible. If this is unavoidable, all the doors should be locked and the staff member should have access to a (mobile) 'phone and have a buddy system in place. Specific risk assessments and procedures for lone working are in place within the school and are reviewed annually.

Curtains and blinds should always be closed in the evening, but especially if staff are working late.

Fire

At St Osburg's Catholic School, we acknowledge that one of the most serious threats is arson and to reduce the risk, we take the following precautions:

- Automatic fire detection, a sprinkler system (site specific) and fire alarm are in place throughout the school. These are tested regularly and the results documented.
- Fire drills take place each term. All fire exits are kept clear at all times and neither left open, nor locked from the inside.
- The school grounds are kept clear of litter and movable objects that could be used to start a fire. The school refuse bins are secured and are held away from the building.

Bomb Threats

Any warning St Osburg's Catholic School receives about such a threat is treated seriously, with the safety of the pupils and staff paramount. If a bomb threat is received the school should be evacuated immediately according to the emergency plan and the emergency services informed.

Staff should be vigilant at all times and report anything suspicious, for instance suspect packets, unrecognised vehicles in the car park or persons in unauthorised areas.

Reporting Incidents

All incidents of crime and losses are recorded, including information on the date, time, location, cost,

St Osburg's Catholic Primary School

Security Policy

staff, parents involved, action taken, and so forth. The Police and LA are notified.

A review of incidents over the year is distributed to the Governors.

Injury

Health and Safety Services must be informed of any serious injury caused to a pupil or member of staff.

Conclusion

It is the responsibility of all staff to ensure that procedures agreed in this safety policy are complied with. In the event of an incident occurring, an enquiry into the incident will be carried out by the Senior Management Team and then discussed with staff. An evaluation of the effectiveness of procedures will be made and the policy will be amended if necessary. This policy will be evaluated during the Summer Term of each academic year and governors and parents informed of any changes. New intake parents will be informed of the contents of the policy during parents meetings. The pupils will be regularly reminded of the policy during school assemblies.
