Activity – Conversation Gerda, Prince and Princess

With her heart beating nervously, Gerda pulled back the covers on the red flower shaped bed. It was not Kay. Just then, the sleeping prince opened his eyes, “What’s going on? Who are you? What are you doing in the royal bed chamber?” he asked a little startled to see the young stranger in his room. “I’m sorry your majesty, I did not mean to scare you. I hoped you were someone else.” sobbed Gerda wiping her tears.

“My dear girl, come here and tell me your story.” said the Prince sympathetically. Gently, Gerda sat down on the edge of the prince’s bed, the princess joined her and lovingly placed an arm around her shoulder. “My good friend Kay went missing a while ago and I am on a mission to try and find him.” Gerda explained. “We will do everything we can to help you in your search for him.” smiled the beautiful princess. “Thankyou.” replied Gerda happily.
