I would like you to think about why we pray. Title your work 'Hands of Prayer' or 'Prayer Hands'

On each finger we focus on who or what we want to pray for.

- Little Finger – Weakest finger - Pray for the sick
- Ring Finger – Sign of commitment - Pray for our friends and family
- Middle Finger – Stands up tall and proud - Pray for people who lead us
- Pointy Finger – Points the way – People who follow a Christian life
- Thumb – Closest to you – Pray for your own concerns, hopes and worries

You can decorate your hand and make it look special. There is a good example below to help you. I look forward to seeing your lovely work.
