

Monday 1st March

Good morning Year One,

We hope you and your families have had a restful and enjoyable weekend and that everyone has stayed safe and well.

Thank you to all the children and parents who have been visiting Coventry parks to collect points for the Go Parks Active Challenge.

All being well we should be back in school again next week and able to see friends again and continue with our learning. We are really looking forward to seeing you all.

It is very important that your reading books and reading packets are returned on Monday morning. They will need to be quarantined before books can be exchanged and new books given out.

As always please share your work on Seesaw so we can see how you are doing. You do not need to print out everything. Answers can be written on a piece of paper.

If there are any problems or difficulties please contact us via email

hollingswortha@st-osburgs.coventry.sch.uk

Here is today's work:

Maths

This is a new piece of learning introducing measuring with standard units (cm).

The lesson is an activity lesson using a ruler to measure the lengths of different objects and reinforcing the language of comparison.

It would be helpful to have a ruler or tape measure. If not there is a printable ruler below.

Here is the video:

English

<https://www.talk4writing.com/wp-content/uploads/2020/04/Y1-Jane-Pippety.pdf>

Read or listen to the story

Complete the questions on page 15 and 16. Can you solve the riddles?

RE

We are now in the season of Lent and preparing for Easter.

During Lent Christians try to follow Jesus more closely.
They listen to his words and follow his example.

We will be looking at a range of the sayings of Jesus which can help those who share his life today.

“Love one another as I have loved you”

Reflect with the children on what it means to love somebody.

- Children to think of family experiences when love is shown to them or experiences of love and care show in school. ●

Explain to the children that Lent is a time when we try and show love and care by doing more to help those in real need.

- What did Jesus mean when he said, “Love one another as I have loved you?”

Worksheet: How do we show we love our family, friends and others?
