English:

Read the story again and answer the questions on page 7 and 8.

Science:

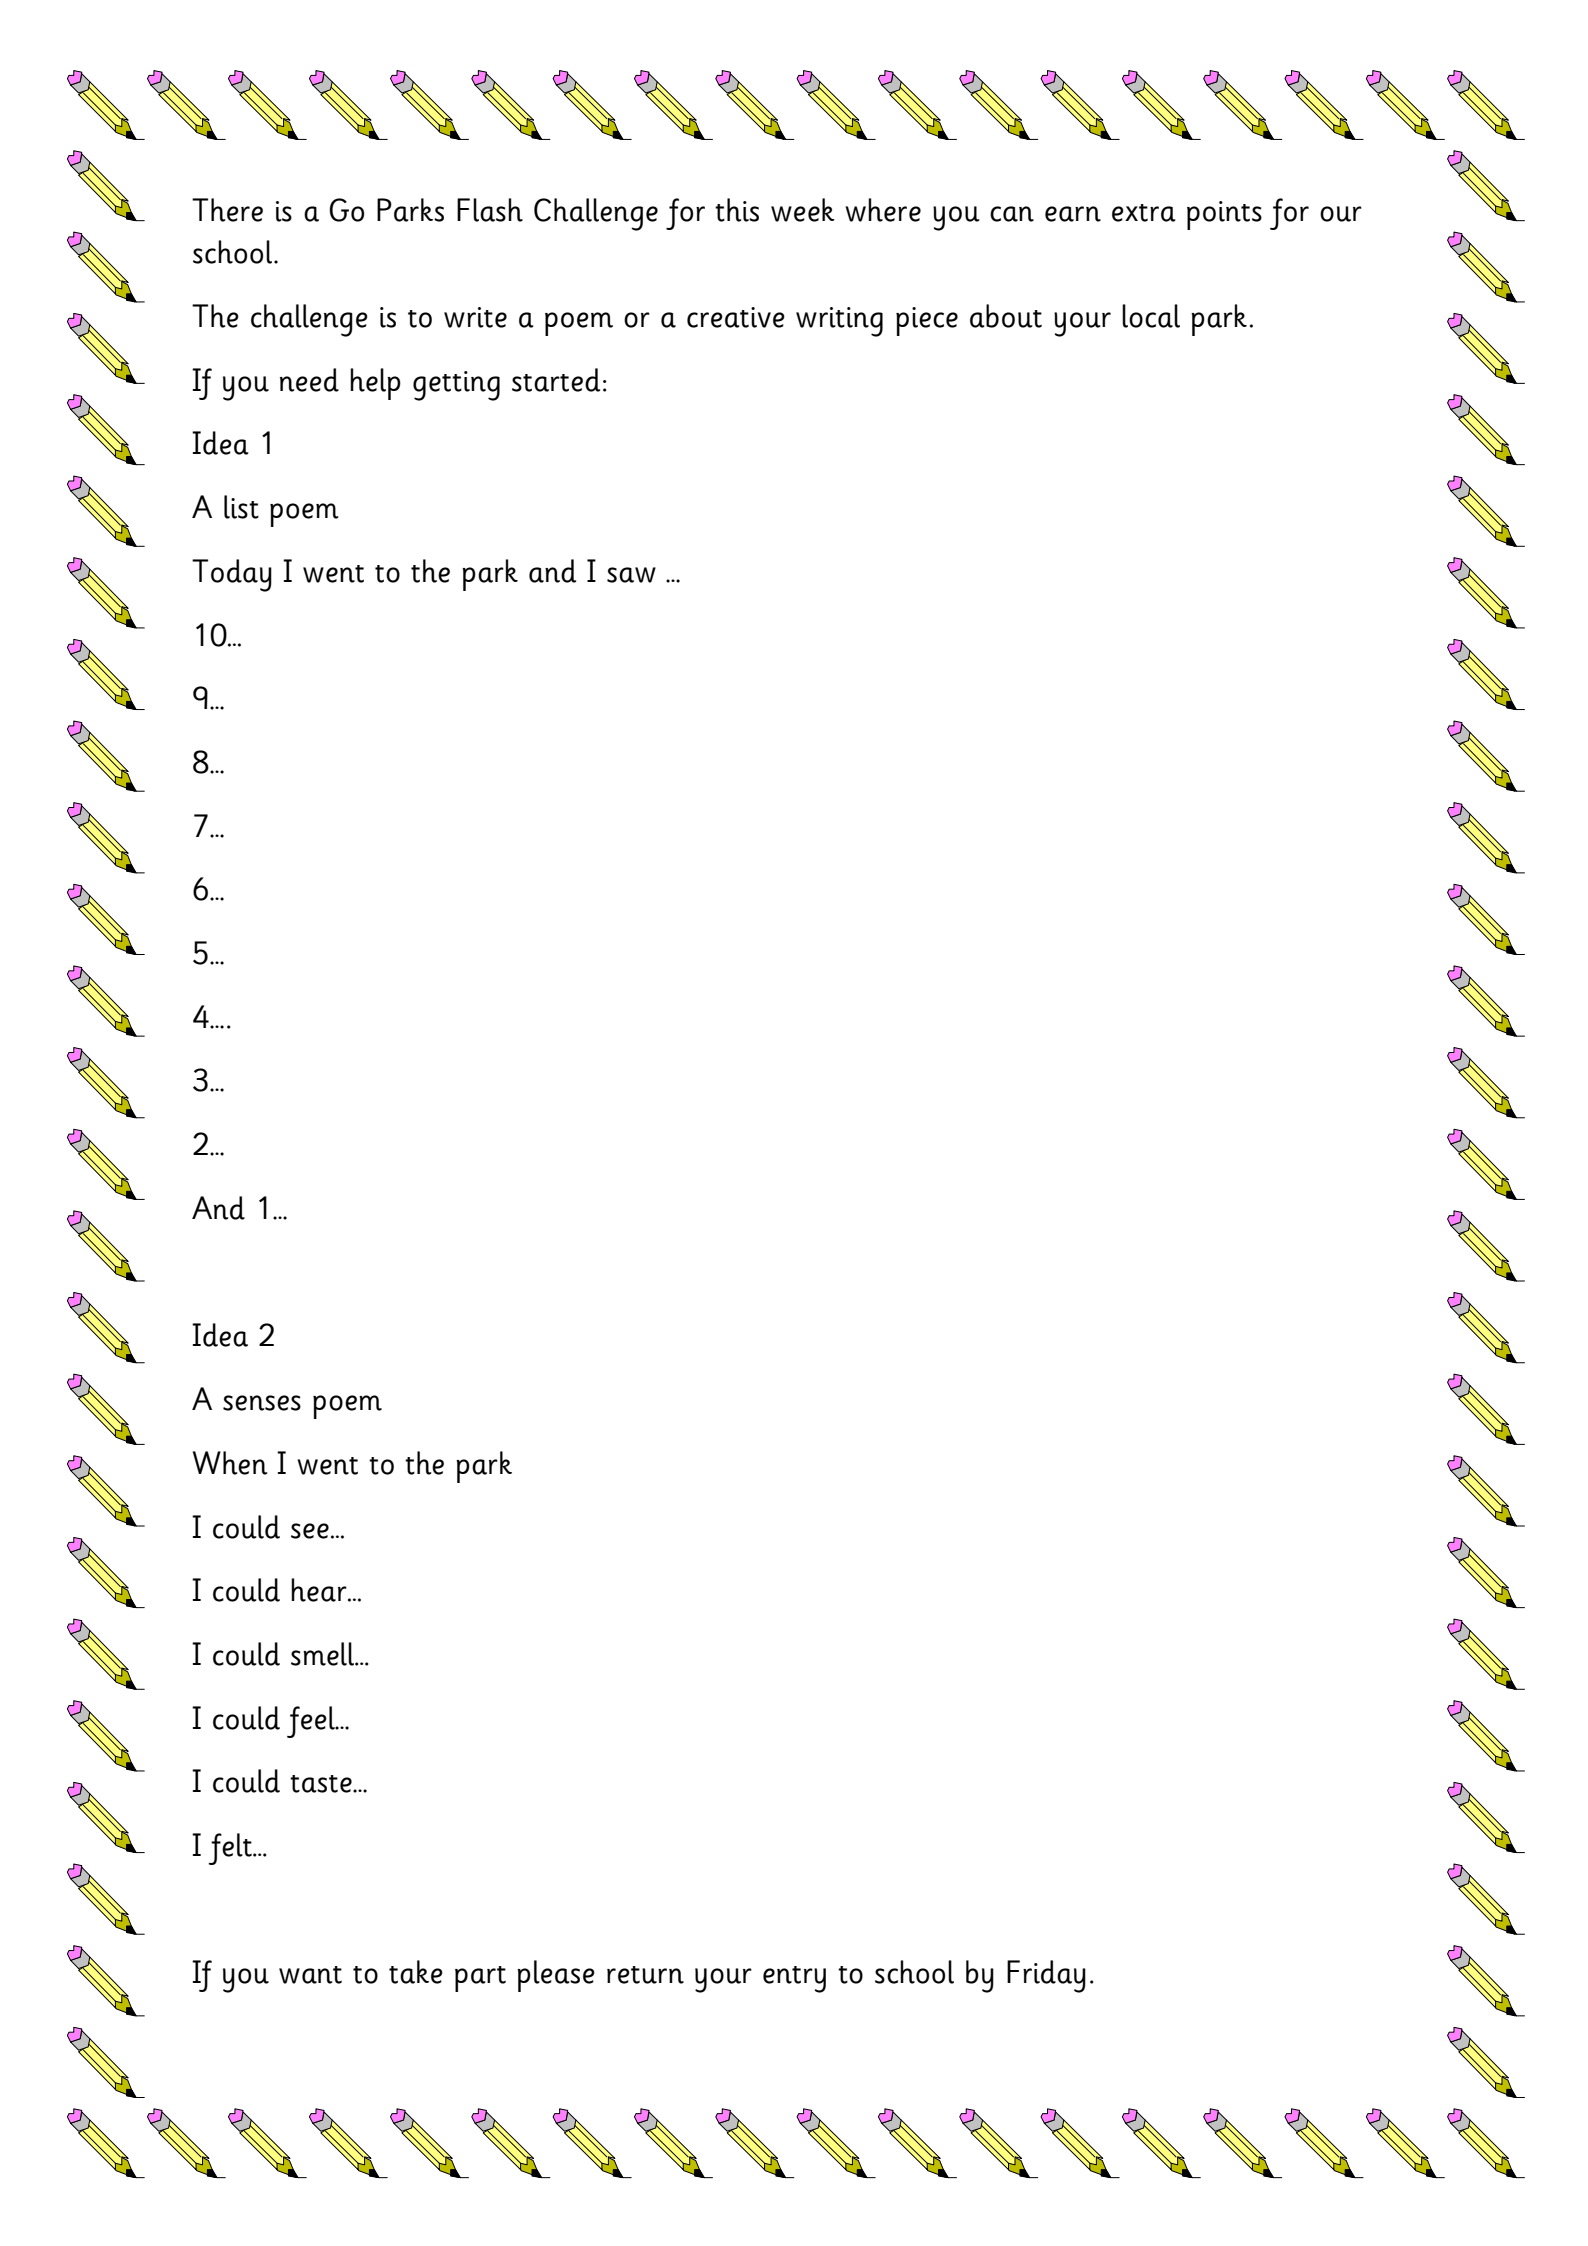

Read through the information and instructions in the PowerPoint.

You will be investigating the best material to make an umbrella to keep a teddy dry.

In class we would usually use a picture of a teddy rather than risking wet toys!

\*It is Safer Internet Day today.

Please see notes from yesterday for possible activities that can be done this week.

There is a Go Parks Flash Challenge for this week where you can earn extra points for our school.

The challenge is to write a poem or a creative writing piece about your local park.

If you need help getting started:

Idea 1

A list poem

Today I went to the park and I saw ...

10...

9...

8...

7...

6...

5...

4...

3...

2...

And 1...

Idea 2

A senses poem

When I went to the park

I could see...

I could hear...

I could smell...

I could feel...

I could taste...

I felt...

If you want to take part please return your entry to school by Friday.
