

Monday 8th February

Good morning Year One,

We hope you all had a good weekend and had the chance to do something nice with your families.

It's nearly half term already and we will have had six weeks of home learning! We are missing all of you and look forward to all of us being back together again.

Thank you to all the children and parents who have been doing their best in circumstances we know are far from easy or convenient. We appreciate how hard you are trying and it is a wonderful to see your efforts on Seesaw. You are doing an excellent job.

If you have any difficulties please contact us via email:

hollingswortha@st-osburgs.coventry.sch.uk

Your work for today:

Maths:

We are continuing with understanding, counting, reading, writing and ordering numbers to 50. Today is an activity lesson that introduces some new learning (counting in twos) so there is no worksheet.

If you are finding the pace of these lessons a bit fast then it is perfectly alright to go back over a previous lesson to make sure it is understood before progressing or to break a lesson down into smaller more manageable tasks.

Watch the video and complete the activities.

<https://vimeo.com/507065512>

It would be helpful to have some small objects that can be counted in twos and to sketch a number line (0- 10) before starting.

English:

<https://www.talk4writing.com/wp-content/uploads/2020/04/Y1-Unit.pdf>

Read the story of Sidney Spider and complete pages 5 and 6.

RE:

Read the story of The Feeding of the Five Thousand and complete the worksheet

This week we are thinking about Safer Internet Day.

Here are some activities to help you talk to your children about keeping safe while online.

<https://www.childnet.com/resources/smartie-the-penguin>

There are two similar stories covering a range of issues a child might come across when going online and advise for what they should do.

There are some Time to Chat questions.

Here also are some follow up activities.
