

Monday 1st February

Good morning Year One,

We hope you all had a good weekend and had the chance to do something nice with your families.

It's February already and we've had one month of lessons at home! We are missing all of you and look forward to all of us being back together again.

Thank you to all the children and parents who have been doing their best in circumstances we know are far from easy or convenient. We appreciate how hard you are trying and it is a wonderful to see your efforts on Seesaw. You are doing an excellent job.

If you have any difficulties please contact us via email:

This week is Children's Mental Health Week.

There is a virtual assembly from Oak Academy to watch from 9.00

Your work for today:

Maths:

We are continuing with understanding, counting, reading, writing and ordering numbers to 50.

If you are finding the pace of these lessons a bit fast then it is perfectly alright to go back over a previous lesson to make sure it is understood before progressing or to break a lesson down into smaller more manageable tasks.
