Thursday 12th June 2025

Dear parents, pupils, governors, staff and parishioners,

As we reflect on Father's Day, this coming Sunday we thank God our Heavenly Father for loving each one of us and for everything that he has given to us. We ask him to bless all of the fathers in our school community, and we wish them all an especially lovely day this Sunday.

Reminder – Tomorrow - Friday 13th June is a staff training day; therefore school is closed for all pupils.

Looking At Learning Years 1-6

Thank you to all the parents and carers who were able to join us for our first 'Looking At Learning' session with your child. We hope that you were impressed to see all their work and the efforts that they have been making within school. We hope to make this a more regular event. Please do not worry if you could not join us on this occasion as we will be sending all your children's books home at the end of term anyway.

Year 4 Visit to Birmingham Museum

Year 4 had a wonderful time at Birmingham Museum on Wednesday, where they took part in a fantastic workshop all about how people lived and died in Ancient Egypt. They had the opportunity to recall all the facts learnt during their lessons and the museum staff were very impressed with their enthusiasm, behaviour and knowledge. 😊

Term Dates – All the 2025/26 school term dates, holidays and staff training days have been approved by governors and are now on the website for your information

Year 6 Visit From 'Big School' Year 6 were very grateful to welcome actors from Belgrade Theatre to watch a free preview of their 'Big School' production on Monday morning. The play and integrated workshops are especially written and designed to support pupils in their preparation for the transition to secondary school. Well done Year 6 for participating so fully and positively.

National School Sports Week

Next week is National Schools Sports week The main goal of this event is to highlight how important school sport is for children's mental and physical health. Whether this is getting to play alongside or with their peers, developing their gross motor skills, or increasing their confidence - National School Sport Week is beneficial for lots of children. We will be taking part in lots of additional sporting activities next week, in addition to all the usual PE lessons. Children in Years 3-6 will be visiting Coventry Rugby Club to take part in a morning of sport. Or Athletics team will be representing St Osburg's at the Coventry Catholic Schools Annual Athletics Event at Warwick University. We will also be linking with Sky Blues In The Community holding a Football Fiesta on Friday with lots of football related fun and games. **PLEASE SEE WEEK AT A GLANCE FOR ADDITIONAL PE KIT DAYS REQUIRED.**

Coventry Arts Week – 23rd – 27th June 2025 We are also very excited to be fully involved with Coventry Arts Week towards the end of June. Our Year 4 pupils will be joining with many schools at the Butterworth Hall, Warwick Arts Centre to perform in a Music sharing concert. The children will be playing a number of their recorder pieces. Year three will be taking part in a group performance of 'Lady Godiva – The Musical' in Broadgate at 11am on Friday 27th June (Parents welcome) and we will be holding our first whole school Art exhibition with St Osburg's Art Gallery opening in the school hall on Thursday 26th June from 2.30pm – 4pm for parents to come and enjoy examples of the children's art work from this year. Please do try to pop in if you can.

Sponsored Walk

Two of our pupils, Conor and Ethan Edwards will be taking part in the huge challenge this summer to climb Mount Snowdon. Both boys hope to raise money for Guide Dogs for the Blind. If you would like to sponsor them any donations can be sent into school in a labelled envelope. Any donations would be greatly appreciated.

Top Tweets (X) from this week!

The Nursery children enjoyed using the parachute during their first 'Active Tots' session today 🎈👧👦❤️

This week in coding club, children turned their micro:bits into night lights using variables and the light sensor.

The Reception children enjoyed learning about how Father's Day is celebrated in the United Kingdom and in other countries around the world.
