Friday 6<sup>th</sup> February 2026

Dear parents, pupils, governors, staff and parishioners,

**Year 3 Sacramental Enrolment Mass – this Sunday 8<sup>th</sup> February.** We would like to invite all children who will be making their First Reconciliation and First Holy Communion to a special Enrolment Mass on Sunday 8<sup>th</sup> February at 11.30am. The children will be leading the readings and will stand before the parish to enrol for these two sacraments. The children will also receive their Enrolment Certificates. They do not need to wear school uniform.

## **Reception Class Performance – Pirate Pete Learns a Lesson!**

Ahoy, me Hearties! The Reception class children would like to invite their parents to come and watch them in their Performing Arts Pirate Performance, on Wednesday 11<sup>th</sup> February at 9.05am in the school hall. We ask for the children to come in dressed up as a pirate for this special occasion. You can all look forward to lots of sea shanties and entertainment - we hope you can make it!

**Football News** On Tuesday St Osburg's played an exciting match against All Souls school. The weather was cold and damp but the team worked hard to take the lead 1-0 with a goal from Dominic. Unfortunately, the opposition managed to score three goals, taking over the lead, and despite having lots of chances St Osburg's could not seem to score any more. The final score was 3-1 to All Souls. Well tried to all our team and special thanks to Mr Jordan for giving his time to train the team and referee/coach during the match. Congratulations to Ansson who was chosen as our player of the match.

**Mother's Day Secret Gift Room** If you have any unwanted Christmas gifts or other suitable items that might be able to be recycled for our Mother's Day Secret Gift Room that we will be running again in March please send them into the school office. Thank you

## **Parent Governor Vacancy – St Osburg's needs you!**

We currently have a vacancy for a Parent Governor and would warmly welcome expressions of interest from parents and carers. Being a Parent Governor is a rewarding opportunity to help shape the future of our school, support decision-making, and act as a link between parents and the governing body. No previous experience is required – just an interest in education and a commitment to the school. There are usually approximately 6 meetings to attend across the academic year and some school visits. If you are interested in contributing your skills and time to help our school continue to thrive, please collect an application form from the main office, Thank you.

## **Food in School**

We welcomed Mark from Solihull Catering into school today for an interesting assembly all about sugar and salt. One of the key reminders was about the benefits of drinking water over squash, fruit juice and fizzy drinks, all of which contain sugars in some form which will be attacking teeth during the day. The children were also amazed to learn how much sugar is in ketchup!

**Reminders** - Please can we remind all parents and children that **chewing gum is not allowed in school**. There have been a number of occasions recently where children have been caught with gum and are sharing it with others.

In addition, we have noticed some children bringing hot water into schools in a flask to add to dry pasta or noodles. This is not safe in the school dining room as could be spilt on a child. Please could we ask that the hot water is added to the food at home and then brought into school in a flask ready to eat. Thank you for your cooperation and support.

## **Top Tweets (X) From This Week**

The reception children enjoyed conducting an experiment to see how blubber helps to keep polar bears warm in the Arctic. 🐻

Since our felt tips left the Year 2 classroom, our world has been dull and grey. Today, we're bringing the colours back by exploring a variety of shades and adding a splash of colour to normally colourless objects 🌈

The Nursery children enjoyed learning how to cross the road safely with a visit from our PCSO's 🚔🚓
