Friday 12th June 2026

Dear parents, pupils, governors, staff and parishioners,

A huge thank you to our Year 3 children for leading such a brilliant World Cup assembly this morning. They shared their learning and with confidence, enthusiasm and great teamwork, and it was wonderful to see their confidence shining through especially through their singing. I hope that whatever team you are supporting over the next month of World Cup football matches put a smile on your face. ⚽

Fun with Fathers - Reading Workshops – Reception, Year 1 and 2 Classes only.

To celebrate Father's Day, we are delighted to invite dads, grandads, uncles, older brothers and other special male family members to join our Reception and KS1 children for a special reading event on Friday 19th June at 9:00am in the classrooms. Visitors will enjoy sharing a story with the children, followed by a range of fun activities linked to the book. This is a wonderful opportunity to celebrate a love of reading and spend some quality time together at school. We look forward to welcoming you for this special celebration!

Well Done Children – Phonics and Multiplication Check

We are incredibly proud of our Year 1 and Year 4 pupils for the way they approached their recent statutory assessments this week. Our Year 1 children showed great confidence and progress in their phonics, while our Year 4 pupils demonstrated determination and rapid recall during the Multiplication Tables Check. A huge thank you to our parents and carers for your continued support at home – it truly has made a difference in developing these important reading and maths skills. Most of all, well done to the children for their hard work, perseverance and positive attitude – you have done brilliantly!

Key Stage 2 Trip to Boscombe Beach - next Thursday 18th June.

We are very much looking forward to our upcoming trip to Boscombe Beach next Thursday with key stage 2. Please take the time to read the latest information provided on our Frequently Asked Questions flyer that we have sent home, to ensure an enjoyable trip for all.

IF YOUR CHILD WILL NOT BE GOING TO THE BEACH TRIP PLEASE LET US KNOW IN ADVANCE, IN WRITING, SO THAT WE ARE NOT WAITING FOR THEM BEFORE WE DEPART.

THERE IS NO KEY STAGE 2 PROVISION FOR ANY CHILDREN NOT ATTENDING THE TRIP. Thank you.

National Water Safety Week

Next week is National Water Safety Week, a nationwide campaign aimed at helping children learn how to stay safe in and around water. This ties in perfectly with our upcoming beach trip for Key stage two on Thursday. We will begin the week with a whole-school assembly on Monday to introduce key safety messages. At Boscombe Beach we have arranged for the lifeguards to share expert advice with the children too. We would also encourage as many families as possible to consider swimming lessons where possible, as developing confidence and skills in the water is such an important part of keeping children safe.

Smart Uniform All Year Please – Please can we remind everyone that we expect children to be in their smart full school summer or winter uniform right up until the end of term. This particularly includes school shoes – we are seeing a number of pupils in trainers which are not permitted apart from on PE days. In addition, may we remind parents that children are only allowed a plain gold or silver stud type earring if they have pierced ears. Thank you for your ongoing support.

Top Tweets From This Week -

Our Reception Families joined us for a wonderful inspire workshop today ❤️ Parents and Children explored the Sacred Heart of Jesus 💖 They learned how to love like him through shared prayer and beautiful heart crafts 🙏 Thank you to everyone who attended 🙏

The Nursery children enjoyed exploring reading and creating their own maps this week 🗺️

Y3 Scientists created models of flowers to help them explain the process of pollination to their partner. Lots of 'pollen' glitter was used!
