Dear parents, pupils, governors, staff and parishioners,

This week's hot weather has been challenging, but I am pleased to say that our children have coped extremely well. Thank you to our parents for your continued support in ensuring children come prepared for the heat, and to our staff for looking after pupils so thoughtfully. We have built in regular hydration breaks, encouraged the use of shaded areas, limited physical activities and made use of the cooler parts of the school to keep everyone as comfortable as possible.

Using the outdoor shaded spaces for working during this heat ☀

Welcome Father Moses

We warmly welcome Father Moses and Father Robert to our school and parish community as they begin their new roles as Parish Priest and Assistant Priest of St Osburg's. We look forward to getting to know them both more as they spend time with our children and families, and we are excited to share in the celebration of the Sacraments together. May this be a joyful new chapter in the life of our parish and school community.

Celebrating Father Sunday Congratulations to Father Sunday on the wonderful milestone of 25 years of priesthood. Over the years he has played such an important role in the lives of our children - baptising many of them, assisting with the sacraments of Reconciliation and Eucharist, serving as a school governor, and visiting school. We thank God for Father Sunday's vocation and dedication, and we pray for continued blessings as he carries on his ministry in this parish and as the Hospital Chaplain, where he does such important work. As a special gesture, each phase of the school will present him with a handmade card to mark this occasion.

You are warmly invited to join Father Sunday tomorrow, Saturday 27th June at 11.30am, as he celebrates a special anniversary Mass. It would be lovely to see many of our families there - I know it would mean a great deal to him.

Year 6 Perform The Jungle Book! Year 6 are working really hard on their performance of 'The Jungle Book' which they are excited to be sharing with audiences on Tuesday 14th July. We are very fortunate to be able to use the great facilities of Bablake Theatre and children in Years 1-5 will be heading up there to watch the dress rehearsal on the Tuesday afternoon. Tickets are available from the office for parents, friends and family members to attend on

Tuesday 14th July at 6pm. Tickets are available from the school office costing £4 for adults, £2 for children and will help to cover the cost of the licence, costumes and props. Tickets will be limited to 4 per family in the first instance.

Holiday Activities and Food (HAF) Programme – Summer 2026 We are pleased to share that bookings are now open for the Coventry Holiday Activities and Food (HAF) Programme this summer. The programme offers a wide range of fun activities for children, alongside a healthy meal for those who attend.

The HAF programme is available for children and young people from Reception to Year 11 who are eligible for benefits related free school meals. Families can explore what's available and book places directly through the Coventry HAF website. Spaces can fill quickly, so we encourage parents to take a look soon. <https://www.coventry.gov.uk/haf>

Year 2 Visit Warwick Castle

This Tuesday, our Year 2 pupils visited Warwick Castle as part of our History unit on Castles, Kings and Queens. The children have enjoyed a fun-filled morning in the Zog play area followed by a guided tour of the castle. They have learned about the life and jobs of different occupants of the castle, and it is safe to say that we all agreed that life in the medieval times was not an easy one! After a lovely lunch in the picnic area, the children admired a fantastic falconry show, watching some majestic birds of prey swooping above our heads. All Year 2 pupils were beautifully behaved and came back to school filled with excitement and lovely memories. Thank you also to our parent helpers and staff for their assistance on a very hot day! *Mrs Oluremi*

The penultimate creative club made summer pictures this week using tree rubbings to create texture before adding flowers, birds and people to their creations. Well done everyone 🌞
