Dear parents, pupils, governors, staff and parishioners,

This morning we had the pleasure of joining Year 2 for their Key Stage one Graduation Assembly. As we think about moving on, it has been a joy to watch our Year 2 children grow in confidence, independence and friendship this year. They have worked hard, and embraced every opportunity with enthusiasm. We are incredibly proud of all they have achieved and look forward to seeing them continue to flourish as they begin their next adventure in Year 3. Thank you to the staff and families whose support has helped make this such a successful and fun-filled year.

Coventry Catholic Schools Athletics Event

A number of our pupils from Years 3-6 were selected to take part in the Coventry Catholic Schools Track and Field Athletics Event on Thursday at Warwick University. The weather was very hot but the children really tried their best and all competed brilliantly. Well done to those children who got through to any finals and special congratulations to Nnedinma (Y4) for winning the silver medal in the girls sprints,

Reports – Annual school reports for parents will be sent home on the last week of term, with any statutory test results and attendance.

We have been informed by the Department for Education that there is a national delay with the return of Year 6 SATS results but we hope to be able to share these with children and parents of Year 6 once we receive them on the new date of Thursday 16th July.

Year 5 Enrolment Mass for Confirmation

Next Thursday 9th July our Year 5 pupils will stand before the whole school community and enrol for the sacrament of Confirmation (due to take place in November time). This is a special mass showing their commitment to fully preparing themselves for this special sacrament. It would be wonderful for family members to join us.

Year 4 Perform at Butterworth Hall

Well done to Year 4 who joined with Coventry Music and a number of other schools from the city to perform at Butterworth Hall, Warwick Arts Centre. They showcased their fantastic ukelele skills which they have been developing over the past two years with Mrs Clayton. This was a lovely opportunity to celebrate their music making development and I heard that their enthusiasm and behaviour was impeccable.

Transition day On Wednesday this week, all pupils had the chance to visit their new classrooms and meet with their new teachers in preparation for returning to school in September. Well done for making good first impressions children! Our Year 6 pupils all enjoyed their visits to their new secondary schools too. ☺

Hot Weather The children have been enjoying the sunshine this week; they do love playing on the field, using our adventure play and sports equipment and relaxing under the shade of the trees too. As it is due to get even hotter again next week, please can we encourage the application of sunscreen before school, for children to wear a hat and bring in a water bottle if they have not already and for our older children who are developing and sweating more now, daily showers to freshen up and the use of deodorants if appropriate.

Musical Celebrations Mr Shepherd will be leading a Guitar assembly next Tuesday 7th July at 9.15am when all the children who have been having guitar lessons will be able to entertain us by sharing their skills. Please can all guitarists ensure they arrive in school on time and don't forget their guitars! Also, at 9.15am on Wednesday 8th July, Mrs Clayton will be leading a Musical assembly where the children in Years 4 and 5 who have been learning the ukulele and recorder will be playing for us and the Pop Choir will also be singing. Parents are very welcome to join us for both.

Year 6 Perform The Jungle Book! Year 6 are working really hard on their performance of 'The Jungle Book' which they are excited to be sharing with audiences on Tuesday 14th July. We are very fortunate to be able to use the great facilities of Bablake Theatre and children in Years 1-5 will be heading up there to watch the dress rehearsal on the Tuesday afternoon. Tickets are available from the office for parents, friends and family members to attend on Tuesday 14th July at 6pm. Tickets are available from the school office costing £4 for adults, £2 for children and will help to cover the cost of the licence, costumes and props. Tickets will be limited to 4 per family in the first instance.
